ArbiterSports works on most mobile devices. We are aware that some users occasionally have issues using our website on a mobile device. If you have an issue, please check out our troubleshooting page: **Connected Help** If you continue to have issues please call or email our support staff: **support@arbitersports.com** / 801-576-9436

Officials do have the option to purchase a yearly subscription of ArbiterConnected, which provides access to ArbiterSports Mobile. Other features of ArbiterConnected include notifications being sent to multiple email addresses and receiving text message reminders.

Pricing for ArbiterConnected starts at \$5.95 a year and can be purchased by clicking the Connected tab in any official account. Groups can also purchase a subscription for their association at an even lower rate. For more information, contact the sales department.
